Mr. Van Wigginton, J.D. Provost, Central Campus

Dr. Laurel V. Williamson Deputy Chancellor and College

President

Mrs. Teri Zamora Vice Chancellor, Fiscal Affairs

Message from the Chancellor

I am pleased to present the approved budget for fiscal year 2021 (September 1, 2020 through August 31, 2021). As we focus on the goals of the College's 2019-2024 Strategic Plan, we center operations around our underlying assumptions of equity, collaborative communication, continuous improvement, and the one-college alignment. With these assumptions in mind, this budget supports and funds the five main goals of the Strategic Plan: Student Success, Workforce and Economic Development, Our People, Operational Excellence, and Outreach and

Partnerships.

The Houston region has experienced major impacts on many of its primary industries this year, negatively affecting the economy, jobs, and other operating realities. As a result, the College faces potential shortfalls in its three primary funding streams including enrollment, state funding, and property tax revenues. This will impact fiscal year 2021 and possibly future fiscal years. With its long history of financial resiliency and the readiness needed to weather challenges, the College developed the budget for fiscal year 2021 very conservatively, resulting in a total unrestricted budget of \$177.0 million, which is approximately one percent lower than last year's budget. In addition, all expenditures, including hiring decisions, are being reviewed to determine if the expenditure is mission critical and focused on student success before being allocated.

Of the three main revenue streams, ad valorem taxes fund 41 percent of the budget, student tuition provides 34 percent, and state appropriations provide 24 percent. Other local income contributes one percent of the total unrestricted budget.

San Jacinto College has a long history of being a strong resource for the communities it serves. That begins and is most pronounced in our commitment to affordability for students to attend and complete their educational goals. This commitment is also demonstrated in the College's efforts to expand intentional support services for students and to reduce barriers that impede students' progress. The new simple tuition model adopted in fiscal year 2020 has created a more understandable view of the cost of higher education, and students indicate they like the simplicity of the model which eliminated student fees and created a flat tuition rate per credit hour. In fiscal year 2021, the College will continue the simple tuition model which created a more transparent process for students and their families. In addition, the expansion of Open Educational Resources (OER) and other textbook savings programs continues, saving students over \$14 million in textbook costs since the program started. The College intends to expand its OER efforts through this faculty-led initiative.

At its recent meeting on October 5, 2020, the Board of Trustees approved the College's property tax rate for tax year 2020. The rate is 16.9358 cents per \$100 valuation of taxable property, which is approximately 0.8 cents (4.9%) below the prior year's rate. It is comprised of an assessment for maintenance and operations (11.1738 cents) and a separate debt service tax rate (5.7620 cents).

At the Board of Trustees' meeting on August 3, 2020, the Board had originally approved an unrestricted budget in the amount of \$178,702,076, which was substantially equivalent to the prior year's level of funding. After receipt of the certified property tax values on September 1, 2020, from the Harris County Tax Office, the Board approved the afore-mentioned tax rates on October 5, 2020. This action decreased the anticipated ad valorem tax revenues by \$1.7 million and was followed at the same meeting with approval of an amendment similarly decreasing the total amount

of the unrestricted budget. The amended unrestricted budget totals \$177,002,076 which represents an overall decrease of one percent and is reflected within this budget document.

Even with this reduction in the total unrestricted budget, the College built its fiscal year 2021 budget based on the needs of students and is strongly supportive of their collective and individual student success. Additionally, the College funded ongoing initiatives including the new Bachelor of Science in Nursing program and the opening of the Generation Park Campus, as well as an expanded focus on equity. Increases in operating costs were balanced against cost savings, some of which are related to changes in operations due to COVID-19.

I am grateful to the Board of Trustees for their support and approval of the budget for fiscal year 2021 and the dedicated College faculty, staff, and administrators who serve the College focused on our students and community. All of us are committed to moving the College forward while maintaining a strong focus on our strategic goals and student success.

Best,

Brenda Hellyer, Ed.D.

Chancellor, San Jacinto College

Sunda Hassyu

HISTORY

San Jacinto Community College District traces its roots to May 1960, when voters in five independent school districts (ISDs), Channelview, Deer Park, Galena Park, La Porte and Pasadena (Sheldon ISD was added in 1968), approved the creation of East Harris County Union Junior College, demonstrating a partnership between a growing community college and an urban sprawling area rich in Texas history. Classes for this new community college opened for students on September 18, 1961, nearly 60 years ago. The College's name was changed in February 1961 to San Jacinto Junior College District and then again in 1995 to San Jacinto Community College District. The College is most often referenced by the community as San Jacinto College or San Jac. The college district has now grown to include five campuses, a network of off-campus learning centers, nearly 45,000 students annually, a robust dual credit and early college high school program, and online course offerings. In order to serve these students, the College employs over 3,000 full-time and part-time personnel.

VISION

San Jacinto College will advance the social and economic mobility of all members of our community. We will be known for our excellence in teaching and learning, our intentional student-centered support, and our commitment to every student. We will be the preferred workforce and economic development partner in the region and a champion for lifelong learning. San Jacinto College will inspire students to explore opportunities, define their educational and career paths, and achieve their goals and dreams.

MISSION

San Jacinto College is focused on student success, academic progress, university transfer, and employment. We are committed to opportunities that enrich the quality of life in the communities we serve.

OUR VALUES

Every student's pathway is unique, and San Jacinto College students are a diverse mosaic — blending many perspectives on success. For one-fifth of our student body, being the first in the family to attend college is a life-changing act that propels future generations to succeed. Others aspire to master a trade or special interest, jump-start a new career, prepare for university transfer or help their communities succeed. Most San Jacinto College students are working professionals, and their success requires a flexible pathway that balances college, work and family. No matter how you define it, success for every graduate drives our value system at San Jacinto College. We are committed to seven deeply held beliefs:

<u>Integrity</u>: We Act Honorably and Ethically - "We conduct ourselves in ways that are professional, instill confidence, and promote trust."

<u>Inclusivity</u>: We Grow through Understanding - "We respect and learn from the diversity of our cultures, experiences, and perspectives."

<u>Collaboration</u>: We Are Stronger Together - "We believe in the power of working together."

<u>Innovation</u>: We Embrace New Possibilities - "We anticipate change, explore opportunities, and create continuously evolving solutions."

<u>Accountability</u>: We Are Responsible Individually and Collectively - "We take ownership for our commitments and outcomes."

<u>Sense of Community</u>: We Care for Those We Serve - "We demonstrate concern for the well-being and success of our students, our communities, and our people."

<u>Excellence</u>: We Strive for Outstanding Results - "We take risks, we assess our work, and we aspire to improve the quality of everything we do."

STRATEGIC PLAN

San Jacinto College operates from a Strategic Plan approved by the Board of Trustees. This plan creates the focus of all employees on the five strategic goals of the plan. Each employee focuses on those goals through the lens of the underlying assumptions. In addition to the Strategic Plan, each year the College forwards Annual Priorities to the Board of Trustees on how each member of the College faculty, staff, and administration will help meet those goals and help students succeed in their higher education journey. It takes each employee working together to help reach these goals. Below is a listing of our Strategic Goals, the Underlying Assumptions, and the Annual Priorities approved by the Board of Trustees. Each employee will use this information to create their own individual performance plan of tactics to accomplish during the year to move the College closer to the annual priorities. Employees are awarded for their hard work at the end of each fiscal year through differentiated compensation based on how well they achieved their goals and the College goals.

GOALS

- Student Success
- Workforce and Economic Development
- Our People
- Operational Excellence
- Outreach and Partnerships

UNDERLYING ASSUMPTIONS

- Equity
- Collaborative Communication
- Continuous Improvement
- Continued One-College Alignment

ANNUAL PRIORTIES

The Board of Trustees adopted the annual priorities for the College on August 3, 2020.

- Expand Our Equity Focus and Commitment
- Expansion of Transfer Opportunities and Awareness
- Career and Workforce Pathways
- Holistic Student Support Design and Technology
- Opening of Generation Park Campus
- Expand Our Outreach by Focusing on Creating a College-Going Culture Where One Does Not Exist
- Positioning for the Future
- Advance a Culture of Resiliency and Sustainability
