

Available Immunizations

Harris County Public Health (HCPH) offers childhood and adult vaccines through the Texas Department of State Health Services (DSHS), the Texas Vaccines for Children (TVFC) program, and the Adult Safety Net (ASN) program.

1.) Texas Vaccine for Children (TVFC) : The program provides low-cost vaccines to eligible children from **birth through 18 years of age** who meet one or more of the following criteria:

- Uninsured: Children who do not have any health insurance
- Patients enrolled in Medicaid or are Medicaid eligible.
- Underinsured: Children who have commercial (private) health insurance but whose coverage does not include vaccines – only select vaccines.
- Patients enrolled in Children’s Health Insurance Program (CHIP)
- American Indian or Alaskan Native

The following vaccines are currently offered through the TVFC program:

<ul style="list-style-type: none"> • COVID-19 • DTaP • Hepatitis A • Hepatitis B • Hib • HPV • Influenza (<i>Seasonal</i>) • Measles, Mumps and Rubella (MMR) 	<ul style="list-style-type: none"> • MMRV • Meningococcal • Pneumococcal • Polio • Rotavirus • Tdap/Td • Varicella (Chickenpox)
---	--

2.) Adult Safety Net (ASN): Anyone who is **19 years of age or older** and does not have health insurance is eligible to receive low-cost vaccines under the ASN program. Eligibility requirements include:

- No health insurance
- Patients who are 19 years of age who initiated a vaccination series under the TFVC program may complete the series using ASN vaccines, regardless of their current health insurance status.

*Individuals are **NOT** eligible to receive ASN vaccines if they are enrolled in Medicare or Medicaid, if they have other health insurance, or if their existing healthcare insurance does not cover vaccinations.

The COVID-19 vaccine will be available to uninsured and underinsured individuals who are 19 years of age and older.

- Uninsured is defined as a person who does not have Medicare, Medicaid, or private insurance.
- Underinsured is defined as a person who has health insurance, but the insurance does not cover all vaccine costs, including co-pays.

The current DSHS Adult Safety Net vaccine includes the following vaccines:

<ul style="list-style-type: none"> • COVID-19 • Hepatitis A • Hepatitis B • Combination Hepatitis A and Hepatitis B 	<ul style="list-style-type: none"> • MMR • Meningococcal • Td • Tdap
